Declaration of Conformity to Type

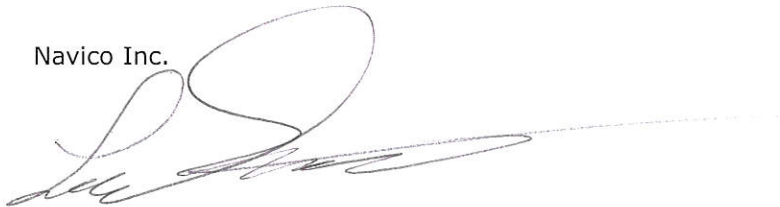

Please accept this letter as confirmation that the test reports, originally indicating Navico and Lowrance brands are still valid for the equivalent Lowrance branded product as is shown in the following table:

Current model	Current brand	New model	New brand(s)
Elite-7 HDI	Lowrance	Elite-7 CHIRP	Lowrance
Elite-7x HDI	Lowrance	Elite-7x CHIRP	Lowrance
Elite-5 HDI	Lowrance	Elite-5 CHIRP	Lowrance
Elite-5x HDI	Lowrance	Elite-5x CHIRP	Lowrance

These products are still manufactured to the same electrical and mechanical standards, with the exception of the model name changes. There are no differences as a result of this branding change, which would invalidate the original testing and compliance.

Sincerely,

Navico Inc.

Product Manager
